

Actionable Items for Secondary Parents:

- Encourage your child to get involved in extra-curricular activities (athletics, drama, music, dance, foreign language, community service, photography, science, technology, robotics), and attend events to demonstrate your support.
- Support your child in getting involved in mentoring and career exploration and career shadowing experiences.
- Be active and visible in school, and communicate regularly with each of your child's teachers.
- Use technology resources to monitor your child's grades and assignments.
